

Researcher and writer

ABOUT US

Frontier Myanmar Research provides in-depth business information on a number of key industries.

- Our first subscription service, the **Myanmar Real Estate and Construction Monitor** (realestate.frontiermyanmar.com), was launched in July 2014 and is now the sector's leading source of business information.
- In July 2015 we launched a second subscription service covering the energy and power sectors, called the **Myanmar Energy Monitor** (energy.frontiermyanmar.com)
- We also undertake tailored reports on other sectors on behalf of specific clients

ROLE

We are currently seeking a new addition to our research team in Yangon.

The role will involve:

- Monitoring Myanmar and English-language news and information sources
- Writing briefs and reports
- Collecting and analysing data
- Contacting and interviewing companies and government bodies
- Researching and writing up company profiles
- Working on custom report projects
- Posting material online

The ideal candidate will:

- Be a native English speaker, or be fully fluent
- Have at least two years of relevant experience in a similar field, e.g. business journalism, market research and advisory, consultancy
- Have excellent writing and editing skills
- Be able to demonstrate a solid understanding of Myanmar's business and economic environment
- Be comfortable with understanding and interpreting data
- Be confident in interacting with senior company executives and government officials
- Already be based in Yangon

Salary: Dependent on experience

Start date: First quarter of 2016

To apply: Interested applicants should please send a CV and short covering email to Alex Warren at alex.warren@frontiermea.com
